Re: **Report on District Activities Related to Camp Fire Recovery.**

ISSUE:

The Air Pollution Control Officer and staff from the Debris Removal Operation Center (DROC) will brief the Board regarding air quality-related activities in response to the Camp Fire recovery efforts.

ACTION REQUESTED:

None. This item is provided for information and discussion.

DISCUSSION:

During the last month, District staff have been involved with the following activities related to the Camp Fire recovery efforts:

- Met with staff from the Debris Removal Operations Center (DROC) regarding the community air monitoring requirements of the DROC and provided comments as appropriate;
- Communication with CARB to establish supplemental particulate monitoring;
- Assisted with outreach to local facilities for potential air monitor placement;
- Outreach on permitting requirements for concrete recycling activities;
- Fielded calls from the public regarding air quality concerns.

Shelley DuTeaux, Deputy Planning Chief, DROC will be present at the meeting to discuss air quality monitoring being conducted through the DROC and answer questions.
